**Language and culture courses combined with regular courses**

**Austria:** Graz, TU Graz

**Germany:** Dortmund, Hannover, Marburg, Trier

**Switzerland:** Bern, Fribourg, Zurich

**IMPORTANT:** The number of language/culture courses varies by university. Many institutions provide language support services. See university profiles at [www.isep.org](http://www.isep.org)

**Is field of study offered at the site(s) that interest(s) you?**

**Language Pre-Sessions: Brush-Up for Study in HOST LANGUAGE**

Many sites offer language pre-sessions to help students brush up their German before classes. It is often included, but depends on the university. If students plan to participate in an intensive language program, a pre-session most likely isn't provided since much of what would be included in a language pre-session will be covered during the semester. Please consult the [ISEP Catalog's German Language Chart](#) for more information.

When consulting this chart, make sure that the site of interest is an international-to-international member.
